

Parent Memo

Dear Parents,

We are going to start a "Share Bag" and "Book Bag" program next week,

August 24, 2022. We have an alphabetized list according to their first names posted in the classroom. Each child will have a turn bringing home the share bag or book bag. When your child brings home a "bag", follow the directions and return the bag the next school day. Your child will share what is in the share bag through a group sharing language activity. We will be building language and questioning skills during this activity. If your child has the book bag, I will read their favorite book during our read aloud time or during "ALOHA" circle. Feel free to visit your local library and find a variety of books to fit your child's interest and level.

Book Bag Rules:

Bring a book that your child has picked out. Please bring age appropriate reading material. I will also remind them to bring a storybook because it allows us to discuss different elements of the book.

Share Bag Rules:

Our share bag is designed to hold a special personal object that your child will share with the class. Our children will learn how to handle objects with care, talk about colors, shapes, sounds, and feelings during this time. **NO** guns, knives/swords, or fighting action figures. We want to promote a peaceful and friendly school/class environment.

Reminder: Return the share/book bag the next school day. The children are patiently waiting their turn!!

Mahalo for your cooperation and support,

Mrs. Gaspar

Classroom Rules and Discipline Plan

Dear Parent/Guardian,

It's a great pleasure to welcome your child into my class. I am looking forward to an exciting school year. In order for your child to learn they need to feel safe at all times. To promote a safe learning environment, the following rules will be in effect at all times.

School Rules

1. Be respectful - Be respectful to others and others' property. Be kind with your words and actions.
2. Be responsible - Be a self directed learner and complete your assignment.
3. Be ready - Work and play safely.

Class Rules

1. Gentle Hands
2. Walking Feet
3. Quiet Voices (indoor voices)
4. Listening Ears (listen carefully)
5. Think and Focus with your Eyes (listen and follow directions)

If a student chooses to break a rule:

1. Verbal warning
2. "Thinking Time" at recess or learning center time
3. Note home to parent or a call home

Severe Disruption: Immediately sent to the Principal

Please discuss this plan with your child. Sign the bottom portion and return it to school. Save the first page and only return the second page with your signature and your child's signature. I would like to thank you ahead of time for your cooperation in this matter. Thank you for your support.

Sincerely,

Mrs. Kim Gaspar
